STATE HIGH SCHOOL ATHLETES MEET ON UTAH FIELD TODAY

The annual state high school track meet, which will be the biggest athletic event ever held in Utah in point of number of contestants and schools, will be held on the Cummings field at 1 o'clock this afternoon. The entries, which were all sent in at the beginning of the week, show a total of twenty-five high schools registered for the meet. The roster shows that there will be 243 athletes in competition.

The schools which will be entered in the meet are: American Fork, Brigham, Branch Normal, Eureka, Granite, Hungerford academy, Latter-day Saints, Lehi, Mantle, Murdock academy, Nephi, Ogden, Park City, Proctor academy, Payson, Pleasant Grove, Salt Lake High, Sandy, Snow academy, Springville, Spanish Fork, Wasatch academy, Weber academy.

Most of the schools will arrive at an early hour this morning and will go directly to the university, where they will be served luncheon. The Park City High school, Heber City high school, Branch Normal, Wasatch academy and Nephi High school arrived yesterday afternoon. They were served lunch and dinner at the university. For this afternoon the athletic council of the university has arranged to serve luncheon to 250 of the visiting athletes.

In order to get the meet over in

time for the visitors to go to Salt Lake in the evening, the meet will be called sharply at 1 o'clock. Any of the athletes who are not present for the last call for their event will be ruled out. This proceeding has been found necessary by Coach Maddock on account of the large number of preliminary heats which will be required. The jumps and pole vaults, which usually consume such a great amount of time, will be started early in the afternoon so that they will be completed by the time the other field and track events have been finished.

The real fight of the day for points will probably be between the Salt Lake High school and the L. D. S. U. Both schools have exceptionally strong teams, and the contest between these schools will be watched with keen interest. Many schools, however, from the smaller cities are expected to show strength, and the selection of the winner is a hard one.

UNIVERSITY OUTSTRIPS THE B. Y. U. IN DUAL TRACK MEET

Provo, May 13.—By the score of 79 1/2 to 42 1/2 the track team of the University of Utah won from the B. Y. U. men today in a dual meet on the B. Y. U. campus. The visitors were particularly strong in the field events, winning first place in every field event but the broad jump. On the track the B. Y. U. held its own.

Two state intercollegiate records fell at the meet. Belknap of Utah setting the high hurdles at 15-5, beating the old mark of 16 seconds. Fred Richardson of Utah hurled the discus 117 feet 5 inches, 3 feet 5 inches above the old record.

There were many close finishes in the races. Holdaway of Provo beating Cole of Utah in the mile less than a yard and Captain Brinton of Utah winning the relay from Henline by but a few inches after running the last 20 yards even.

The mark made by Belknap in the hurdles is exceptionally good and unless the same hurdler better it in the state meet is liable to stand for some time.

A large number of Utah rooters cheered their team on to victory and paraded the town after the last event to celebrate the day.

Metropolitan Handicap Is Won by Fashion Plate, an Outsider

New York, May 13.—Ten thousand racegoers saw Fashion Plate, a four-year-old chestnut colt entered by the Woodhaven stable, win the Metropolitan handicap at Belmont Park today in the fastest time in the history of the event. The colt, quoted at the comparatively long odds of 6 to 1, covered the mile in 1:37-4-5.

Prince Imperial, entered by the Woodhaven stable and quoted at 10 to 1 for place, was second. Jack Atkin, winner of the 1908 Metropolitan, finished third at odds of 5 to 1 to show.

The crowd had its curiosity pleasantly gratified by a view at close range of August Belmont, a sponsor of Belmont Park. In the role of a recent benefactor, and of the new Mrs. Belmont—Eleanor Robson that was Mrs. Belmont was the center of attraction in the clubhouse enclosure.

James R. Keene's Maskette, S. C. Hildreth's King James and Restigouche, August Belmont's Priscilla, and B. S. Schreiber's Jack Atkin, all heavily

backed, were each looked upon as probable winners.

The colt showed in front at the start and for nearly three-quarters of the distance set a heart-breaking pace, with Jack Atkin and Prince Imperial close up. At the turn into the stretch, the Hildreth horse tired, and Fashion Plate, admirably ridden by McGee, forged ahead. The value to first was \$4,000.

JACK ROGERS OUT BY WILLIAMS

Left to Jaw Ends Fast Contest
Before Park City
Fans.

(Special to The Herald-Republican.)
Park City, May 13.—Friday, the thirteenth, was an unlucky day for Jack Rogers' middleweight championship aspirations. In the sixth round of his scheduled 20-round bout with Morgan Williams, the Victor (Colo.) trial horse, Rogers received a left to the jaw that sent him to the mat for the count of eight. He got to his feet, but a shower of body blows and another left to the point of the chin sent him again to the mat, and Tom Gleason, his chief second, threw in the sponge. The going sounded before Referee Jim Byrne had counted the necessary ten, but Rogers was clearly out.

While the going had been even up until the sixth round, Williams seemed to be feeling his man out, and was never bothered by the Smithfield man's punches.

The bout was held at the Florence theatre before 600 fans, among whom were Mayor John S. Bransford of Salt Lake, E. S. Perry, Tom Kearns and J. Frank Judge, also of Salt Lake.

In the preliminary, George Tippet stopped Paddy McGowan in the fifth round. Both are local lightweight. The crowd was greatly pleased at the card.

CHANGES TO BE MADE IN SALT LAKE COLISEUM

Plans Call for Perfect Boxing Arena
—Promoter Says Fast Card
for June.

R. A. Grant, lessee of the Salt Lake Coliseum and promoter of the Thompson-Sullivan contest of Thursday night, announced yesterday that the success of the card had been such as to warrant the billing of some of the best boxing cards to be had in the country.

The Coliseum will be altered to make it a perfect boxing arena. The stage will be taken out, the bicycle track removed, and with the ring placed in the center of the floor the seats will be built around it. In the style planned for the Jeffries-Johnson meeting at Emeryville.

The alterations of the Coliseum will also include two subway entrances and two overhead entrances, to avoid the jam seen Thursday night in entering the arena. Piling and beams will be placed to hold any crowd that can be housed at the arena.

Promoter Grant plans to stage the next go the first week in June, with Cyclone Thompson against either Fighting Dick Hyland or Frank Picato, the Italian corner, who is showing much class in the lightweight division.

Cyclone Johnny leaves Ogden this morning for his home at Sycamore, Ill., where he says his chicken ranch extends his attention to his return to Salt Lake within two weeks.

A demand has sprung up for Thompson to meet Bird Leg Collins, and while the Cyclone admits that he has a tough proposition on hand if he does, he is willing to take him on. As planned, the go will be ten rounds.

The Sullivan backers spent yesterday trying to figure out how to get lost. Among them was Pete Hilt. That he was overtrained is the main reason advanced for his poor showing.

AUSTRALIAN BIKE RIDERS SAFE AT FRISCO

Harry Heatgen, manager of the Salt Palace, yesterday received word from San Francisco stating that Gordon Walker and Barney Keete had just arrived from Australia. Walker is well known to the local fans, and is said to be riding strong. Keete is a new comer, but is known to have considerable class. Walker and Keete are coming on to Salt Lake at once, and will begin training at the saucer next week.

Manager Heatgen also received a letter yesterday from Iver Lawson which said that Jackie Clark and Floyd MacFarland were leaving Newark for Buffalo and will arrive in Salt Lake within ten days. MacFarland talks of competing for the championship of division three of the National C. A. and it is very probable that Salt Lake will get some of the national championships.

BINGHAM BASEBALL.
(Special to The Herald-Republican.)
Bingham, May 13.—The Bingham school team defeated the Midvale school team today by the score of 10 to 1. These two teams are tied, each having won one game. The rubber will be played next week for the championship of the Jordan district for the west side of the Jordan river. The winners will then meet the champions of the Jordan district. The batteries: Bingham—Goodrich and Cushman; Midvale—Dunn and Trynchick. The Bingham town team is now organized with George Chandler as manager, and is ready to meet any amateur team in the state. The manager will be glad to receive challenges at once.

WASATCH GIRLS WIN.
The girls' basketball team of the Wasatch school yesterday won the girls' team championship of the east side by defeating the Sumner girls, 19 to 11. The game was played at the Lafayette grounds before a large crowd. The winning lineup was: Madeline Drouby, Leone Cushing, forwards; Beatrice Husarek, Mary Boy, center; Pearl Hudson and Arva Cushing, guards.

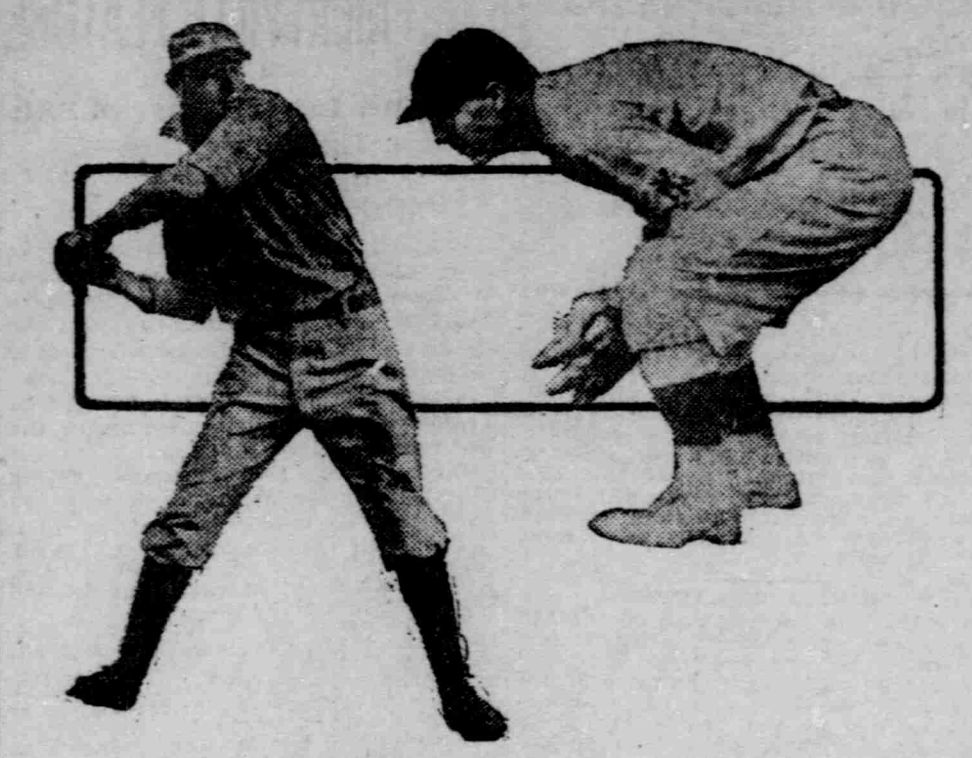

HEBER BEATS SPRINGVILLE.
(Special to The Herald-Republican.)

TRAINING SCHOOL WINS.
The Training school won from the Hamilton school yesterday at the Fort Douglas grounds by the score of 7 to 2, for the championship of division three of the school league. The Training school has now won four straight victories. The Hamilton boys could do nothing with Tauffer's curves. Rindfleisch, backstop for the Training school, did fine work.

UTAH CHAMPION LEAGUE.
(Special to The Herald-Republican.)
Payson, May 13.—Payson defeated Linden today by the score of 7 to 1. The batteries: Payson—Selman and Done; Linden—Ketch and Gillman.

(Special to The Herald-Republican.)
Spanish Fork, May 13.—Lehi defeated Spanish Fork today by the score of 8 to 6.

TWO MAJOR LEAGUE STARS

At the left, Pitcher Karger of Boston. At the right, the Giants' star first baseman, Markle.

Markle, the hustling star of the New York Giants, is certainly making good at the initial cast. He played a remarkable fielding game throughout the season, and is batting in good shape. Karger, the Boston pitcher, has been putting up a good game in the box until he ran into the Yankees, when they knocked him out with comparative ease. He is, however, one of Boston's strongest pitchers.

JOHNSON NOW SPEEDS BEHIND PACER INSTEAD OF AUTOMOBILE

San Francisco, May 13.—Just to prove to Tex Rickard and others who are concerned regarding his safety for the next two months that an automobile is not the only means of travel, Jack Johnson is doing some of his speeding along the park boulevards behind Little Dick, a local pacer, who has been loaned to him for the occasion by one of his friends. The idea came to the fighter when one of the newspaper photographers saw the rig in front of the training quarters and suggested that he would like a picture of so.

Johnson agreed to the picture idea, and after that was over remarked that he would like to take a turn up the road.

"Go ahead," said the owner, who is a Johnson admirer, "and you can have him out here every morning or afternoon if you want."

The rides will not be that frequent, but Jack has declared his intention of going out behind the sidewheeler three times a week at the very least.

"I want to tell you, Mr. Rickard," he said to Tex when the latter was warning the negro not to be so careless, "that's all a mistake about my being reckless. I know what this fight means to me, and when I am training for a fight there is no more careful than I am. Of course, I am going to ride around in my machine because it is a pleasure, but there will be nothing reckless about my driving, and you will have no reason to be worried over me."

The routine of a twelve-mile grind along the roads in the forenoon may not be palling on Johnson, but it has been sufficiently monotonous for the fighter to change his route. This morning, for example, he took Barney Furey with him over an entirely new course, and one in which there are far more hills than in the old course.

"For one thing, I wanted a change," said Johnson in explaining the new program; "and for another, I wanted to test my wind thoroughly. The hills gave me that chance, and now I am sure of my condition. My wind was the one thing that I had an idea might need nursing, but I came back from the quarters after a twelve-mile trip without blowing in the least."

About the noon hour Johnson took a nap, and late in the afternoon, about 4 o'clock, he played baseball for the edification of the crowd that had gathered to see what he looked like.

JEFFRIES WALKS TO SANTA CRUZ FOR HIS DAY'S WORK

Ben Lomond, Cal., May 13.—Jeffries confined his work today to a ten-mile tramp to Santa Cruz, where he recuperated with a salt hot water bath. He whiffed away the morning hours pulling a boat up and down the San Lorenzo river.

In the afternoon he decided on the long walk to Santa Cruz. He declared before starting that he intended doing the entire ten miles in slow time, and had made up his mind to take a hot salt tub bath at the end of the journey. Jeffries was accompanied by his brother, Jack. Both Choyinski and Armstrong were well pleased with the plans for the long walk, and the resultant respite from the strenuous period in the ring. The two boxers would not be dispensed if Jeff decided to emulate the man Weston every day until the fight.

AMATEUR SUNDAY BALL ENCOURAGED IN NEW YORK

New York, May 13.—Sunday baseball is not only to be allowed in New York City, but is to be encouraged. Not the professional game, but baseball as played by boys in the city parks. The announcement came from the park commissioner's office today that the recent opening of the park tennis courts on Sundays is an entering wedge for other sports, and that the baseball fields will be the next to be opened to the public on Sundays.

"It may be looked upon as throwing down the gauntlet," said the commissioner, "but I believe a great good can come from this step. We intend to have all the playgrounds, as well as the parks, open to the public on Sundays as on other days. The use of the parks is never more needed than on a Sunday."

They will meet athletes of Yale, Harvard, Cornell, Princeton, Columbia and Pennsylvania.

CAR THROUGH FENCE AT OLDFIELD DENVER MEET

Denver, May 13.—Rain caused the postponement of the automobile races at Overland park this afternoon, after Barney Oldfield had covered a mile against a strong wind, in 54-1-5, and a few minor events had been run.

In one of the races a car driven by George A. Clark ran into a fence, tore through, and then ran over a boy, breaking the latter's leg. Neither Clark nor his mechanic were injured. The races will be resumed tomorrow.

GOTCH AND ZBYSZKO BARRED FROM MAY 30

Chicago, May 13.—Mayor Busse announced today that no permit would be granted for the Gotch-Zbyszko championship wrestling match, which was to have taken place in the American league ball park May 30.

"Decorations day is sacred to the dead heroes of the war," said Mayor Busse in explanation, "and I will not permit professional sports of this type to desecrate it."

The contest was to have been for a purse of \$25,000. Many tickets already have been sold. The managers of the affair say they have not decided what will be done concerning the mayor's edict.
